

Little Rock
City Beautiful Commission
2009 LANDSCAPE AWARDS
30TH YEAR AWARD ANNIVERSARY
City of Roses

The Little Rock City Beautiful Commission
is requesting nominations for the
2009 City Beautiful Landscape Awards

CATEGORIES: *Top Three "Best of the Best" 2009*

Judging Criteria:

- Landscape design must exceed the minimum ordinance requirements
- Site maintenance must be above average with year-round interest
- Project must display sensitive treatment of site grading and circulation design
- Landscape design must demonstrate an appropriate use of materials, sensitivity to adjacent sites and a visual/physical connection to the overall setting and environment
- Project must demonstrate excellent design and implementation including voluntarily upgrades or enhancements that have gone beyond the city requirements
- If a project was a previous winner, it is not eligible again for 5 years

Eligibility:

Any commercial, institutional, multifamily or subdivision landscape architectural project within the City of Little Rock that has been in place for one year

Entry Requirements:

Nominations must be submitted on the attached entry form.
If available, attach a digital photograph (prints/slides will be accepted)
that would help illustrate why the site meets the judging criteria.

Submittal Deadline: August 1, 2009

Entries must be emailed/faxed/postmarked by the deadline
